Results

1. The UWA at el Toreo on Sunday, April 21, 1991:
 1. The Main Event: Huracan Castillo, Miguel Perez, and el Gigante Guerrero (Butch Masters) defeated by two falls to zero Canek, Dos Caras, and el Villano III. The rudos won the first fall when all three pinned captain Canek. The second fall ended when Guerrero pinned Canek after a foul (otherwise the match was clean). Said to be a fair match.
 2. The Semifinal: el Hijo del Santo, el Texano, and Enrique Vera defeated by two falls to one Fishman, Babe Face, and Doctor Wagner junior. The first fall saw Doctor Wagner junior pin el Texano with a rana to end the action for that fall and to keep their feud hot; the second fall saw el Hijo del Santo pin Babe Face with a flying cross-body block off the top rope, to keep Santo happy. The third fall saw Fishman foul Texano. Too many fouls. Said to be a match with a lot of heat but not very good.
 3. The Tercera: Samurai, Takayama, and Akiyoshi defeated by two falls to one el Zar, el Indomito, and Black Power in what was described as a good match.
 4. The Segunda: los Tortugillos Karatekas defeated by two falls to one Super Raton, Super Pinochio, Valente Fernandez, and el Halcon Negro via disqualification in the third fall (Sorry I don't know why or how good the match was supposed to have been).
 5. The Inicial: Shu, el Guerrero, and los Mohicanos I and II defeated by two falls to one el Corsario Negro I, el Gran Apache I, and el Dragon Chino II. (el Marlin no-showed.)
